The Company is directing its efforts, albeit in a small way, to contribute to the national efforts towards improvement in health and education.

The key highlights of the CSR activities undertaken by the Company are as follows:

FY 2023-24

During FY 2023-24, NABSAMRUDDHI Finance Ltd., under its CSR activities, sanctioned three projects with financial assistance amounting to INR 69.02 lakh. The key highlights of the CSR activities undertaken by the Company are:

Water Purifier

Water ATM

CSR Project at Redi Village, Vengurla block, Sindhudurg district

1. WASH : Community Drinking water project in Sindhudurg district of Maharashtra

Project titled ‘Community drinking water in Sindhudurg district of Maharashtra’ was supported under CSR. An amount of INR 16.00 Lakh was sanctioned to Kokan Kala Va Shikshan Vikas Sanstha from the Company’s CSR Fund for this project.

The project involved the installation of a 1000 LPH Water Station (Water ATM) and 3000 LPH water purifier system at Redi Village, Vengurla block, Sindhudurg district, Maharashtra. The project is expected to ensure clean water for drinking, cooking and other household activities for a population of 17,000 including the migrant labourers in this village.

The **water ATM** having water purification facility enables the villagers to use safe drinking water within the vicinity of the village. This water is available for drinking purpose at affordable charges.

The **water purification system** provides safe water on continuous basis, at free of cost. This water is used for cooking and other purposes.

Both these units are maintained by the Gram Panchayat, Redi.

2. WASH: Project for Construction of Toilets in three schools at Ambikapur, Surguja District, Chhattisgarh

Project titled ‘WASH Project for Construction of Toilets in three schools at Ambikapur, Surguja District, Chhattisgarh’ was supported under CSR. These toilet block having 4 WC (2 WC for boys and 2 WC for girls) and 2 Urinals (for boys) will be constructed in three schools of Ambikapur block of Surguja district, Chhattisgarh.

As of now, there is no existing toilet block for boys and girls in two schools and in one school, the existing toilet block is in very shabby state, inadequate to serve the present strength of students. Hence, provision of this new toilet block is a necessity and will provide neat, clean and hygienic sanitation facilities to the students as well as teachers.

An amount of INR 28.90 Lakh was sanctioned to Sulabh International Social Service Organisation from the Company’s CSR Fund for this project.

3. Empowering Schools- Improved facility for improved Learning

Project titled ‘Empowering Schools-Improved facility for improved learning’ was supported under CSR. An amount of INR 24.11 Lakh was sanctioned to NABFOUNDATION from the Company’s CSR Fund for this project. The project aims to improve the basic facilities like toilet (2WC+9 Urinal) and provision of clean drinking water, school building painting, computers and smart TV at the school.

The present toilet of the school is in dilapidated condition, and it is very difficult for the students and teachers to use the same. The unhygienic condition of the toilet is a source of many diseases among the toilet users and surrounding area.

It creates an unpleasant atmosphere in the school and discourages students to attend the school specially the girl children.

Further, provision of these improved facilities will empower the School to provide a good environment to the students for improved learnings.
